CLARK

MINNEAPOLIS CITY COUNCIL - WARD 1
Strong Neighborhoods • Jobs • Responsive Leadership

February 4, 2009

Dear Neighborhood Leader,

My name is Doron Clark and I am running for Minneapolis City Council - Ward 1.

I am seeking your support at the DFL caucuses on March 3rd and your endorsement at the DFL Ward 1 Convention on April 4th.

I am running for city council because for too long neighbors have managed to solve problems despite City Hall instead of with City Hall.

Here on Minneapolis' East Side, we work together and help our neighbors. As president of my neighborhood group, I see neighbors shoveling ill neighbors' driveways, planting trees, building the first LEED certified home in Minneapolis, and I see neighbors working together to make their streets safer.

Too often though, City Hall manages to stop improvements. A neighbor's plan for an addition to her home is on hold because 60 years ago her driveway was installed incorrectly. A progressive small business owner shared that he opened his photo studio outside of Minneapolis as the process to open a business in Minneapolis was too difficult.

Our choice is clear: we can either continue to get things done despite City Hall or we can change City Hall to help us in all of these endeavors.

We can change City Hall. We can build on what we have done on our streets and in our neighborhoods. We can make City Hall a place that does not stand in our way. We can make City Hall responsive to all of our needs. We can make our neighborhoods stronger, attract quality jobs, and we can bring our voices back to city hall.

On March 3rd, I ask you to caucus for Doron Clark. Volunteer to help at www.DoronClark.com.

Sincerely,

Doron Clark
